

IEEE International Conference on Communications

9–13 June 2024 // Denver, CO, USA

Scaling the Peaks of Global Communications

Next Generation Antenna Technologies for Future Wireless Networks

Best Paper Award

PRESENTED TO

Yinghui He (Nanyang Technological University, Singapore); Yunlong Cai and Guanding Yu (Zhejiang University, China)

“Beamforming Design with Bilevel Optimization for RIS-Assisted SWIPT Systems”

Meilong Jiang

Derrick Wing Kwan Ng
